At present all Akademis of Ministry are working in silos. SA should remain in constant touch with other akademis so as to utilize the maximum benefit of their collective resources. Their interaction should be IT based so that real time basis information can be exchanged.

Akademis should take note of the fact that same few select art forms should not be given budgetary support to the detriment of other art forms. Similarly, regional coverage must be broad based. Akademis should conduct programmes all over India unless it is not state centered.
