## Sahitya Akademi Library

The Sahitya Akademi library occupies an important place in the library map of the capital. With a rich collection of 22 languages in literature, criticism, philosophy, history and related subjects the library enjoys an active and appreciative readership. Books in Indian languages include classics, ancient medieval and general interests to literary lovers, critical treatises, literary journals, dictionaries and other reference books.

Hindi, English and Tamil on-line catalogues are gaining popularity with the users. Current acquisitions in these three languages are being catalogued on-line. Automation of these sections has enabled the library to provide bibliographic service on demand at short notice.

The library has indexes of English language articles on Indian Literature based on its journal receipts. The database is also available to library users. Digitized about 4000 newspaper clippings dating from 1988 onwards.

Sahitya Akademi maintains libraries at its regional offices. Books are added regularly in regional offices' libraries every year.
